## Year 9 Project // Emotional Elements

### Project Objectives:

AO1: Explore the way that artists express emotions in their artwork.

AO2: Discover a range of textures and effects that can be created through experimentation.

AO3: Develop a range of art skills using a range of materials and techniques.

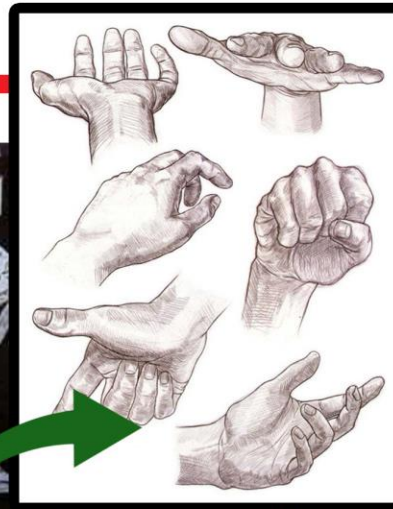

AO3: Create an original design and explain your ideas.

AO4: Craft a final mixed media piece using the experiments and discoveries gained throughout the project.

### Key words

- **Mixed media** – a variety of different media used in work of art.
- **Design** – A plan or drawing produced to show the look of something before it's created.
- **Emotional Message** – the way a work of art connects with the viewer and the emotions that it stirs.
