

PE Road Map

We aspire for our students to 'Actively engaging in Challenge' in a wide range of experiences. Our students will develop transferable physical, mental and social skills that are important for PE and life.

An inclusive, broad and balanced curriculum that enables all learners the opportunity to develop physically, mentally and socially, this will be achieved through a Head, Heart and Hands approach. Pupils will have the opportunity to build key characteristics to lead healthy, active lifestyles beyond their time at Flegg.
