# Part A: Pupil premium strategy plan

## Statement of intent

At Flegg High Ormiston Academy, we believe that every child should be kind, ambitious and respectful. We want every disadvantaged pupil to achieve to the best of their ability, develop personally, become keen readers, experience cultural opportunities, have access to leadership and enrichment opportunities, have good access to careers guidance and post-16 opportunities to raise their aspirations and ambitions.

At Flegg High Ormiston Academy, all staff are tasked with ensuring the disadvantaged students in their lessons are learning and are making good progress. We have a responsibility to ensure that disadvantaged students have everything they need to access learning and to make as much progress as non-disadvantaged students. Staff in our Academy have a good knowledge and high expectations of every child.

Our pupil premium strategy is built around NFER research and has 7 building blocks to raise the attainment of our disadvantaged students:

- Whole school ethos of attainment for all
- Addressing behaviour and attendance
- High quality teaching for all
- Meeting individual needs
- Deploying staff effectively
- Data driven and responding to evidence
- Clear, responsive leadership

The academy has published a pupil premium promise and communicates this with all pupil premium students so that they know the resources and support they have access to.

## Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	Pupil premium students make lower progress than their peers, in 2023 there was a 0.52 gap in progress (-0.89 for disadvantaged students compared to -0.37 for non-disadvantaged students).
2	Pupil premium students attend school less than their peers in 2023 84.32% compared to 90.26%
3	More frequent behaviour incidents, pupil premium students are sanctioned more often than their peers including high level sanctions - internal and external exclusions
4	Fewer pupil premium students access leadership opportunities than non-pupil premium students.
5	Pupil premium students read less and with a lower reading age than non-pupil premium students. On average pupil premium students have a reading age that is three years behind non pupil premium students at the end of year 11.

6	Access to life experiences and life-skills that enable students to improve social capital and aspirations
7	Improved parental engagement at academy events such as parents' evenings – parents/ carers of pupil premium students attended less frequently than those of non-pupil premium parents/ carers

## Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
1. Higher rates of progress across all year groups	Pupils identified as disadvantaged make as much progress as non-disadvantaged peers and those who are identified as High Prior Attaining achieve the top 7-9 grades in proportion with non-disadvantaged students. Progress will be visible in academy development walks, work scrutinies and outcomes.
2. Increased attendance rates and persistent absence addressed for pupils eligible for Pupil Premium.	Reduce the number of persistent absentees among disadvantaged pupils. Overall attendance of disadvantaged pupils in line with or above NA
3. Fewer behaviour incidents are recorded for disadvantaged students	A decrease in the proportion of negative behaviour incidents, reflection visits and fixed term exclusions for disadvantaged students compared to 2020-21
4. Disadvantaged pupils to accumulate the skills and experiences needed to improve social capital and life aspirations (Personal Development)	Every disadvantaged pupil will be enabled to take part in extracurricular clubs More disadvantaged pupils will apply for Level 3 or equivalent post-16 courses  Disadvantaged pupils will be given access to leadership opportunities throughout the academic year
5. Disadvantaged pupils are given opportunities to develop positive attitudes to reading.	All disadvantaged pupils will read regularly and in pupil voice pupils eligible for Pupil Premium will talk about a love for reading. Disadvantaged pupils will make expected progress in reading and will have reading ages in line with or above their physical age  Disadvantaged pupils in year 7 will be read to regularly throughout the year.
6. Families identified as having complex family situations are supported through a multi-agency approach.	Parent voice will be captured, and pupil progress will not be affected by adverse childhood experiences. Disadvantaged pupils with complex family situations will be supported as part of our Early Help

	processes and will be in line with their target grades at the end of the academic year.
7. Increased parental engagement and support from home.	Increase in the number of parents of pupils eligible for Pupil Premium attending Parents' Evenings/events. Increased uptake in surveys and parent voice.
