

# F1 in Schools: Flegg High Ormiston Academy success at Sprowston

F1  
in Schools

Flegg High Ormiston Academy teams Caelum and Caliber Racing triumphed at the F1 in Schools regional event at Sprowston High, securing four prestigious awards, including Fastest Car in East Anglia. This victory showcases their engineering, teamwork, and innovation, earning them a place in the national competition.

The teams impressed judges with their cutting-edge car designs, aerodynamics, and engineering precision. Their success demonstrates the real-world applications of STEM education—focusing on science, technology, engineering, and mathematics. The competition provided valuable hands-on experience in design, problem-solving, and project management, equipping these students with skills that will benefit their future careers in STEM fields.

With their regional win, Caelum and Caliber Racing are now gearing up for the nationals, where they'll compete for a spot at the F1 in Schools World Championships. The national competition will test their design, speed, and innovation against the country's top teams. Flegg High's students are excited for the challenge and determined to continue their journey toward global recognition.

Year 7 & 8 enjoying breakfast with the principal after being nominated by their form tutors for being outstanding role models

# YOUTH COUNCIL

Dr Catherine Richards – Principal of East Norfolk Sixth Form College has been instrumental in setting up the Youth Council on behalf of GY Borough Council. GYBC need a Youth Council because young people are our future, and all have a voice and it needs to be heard by everyone including the adult members of the Council. Each time we have been to a meeting we have met with different members.

It is the students opportunity to speak about what is important to them and express their views. The New GY Borough Youth Council is made up of students from local schools and colleges within the Borough of Great Yarmouth. East Norfolk and Flegg were at the very first meeting and this time we were also joined by Lynn Grove and Venture. There will be meetings bimonthly as well as training and networking opportunities for the members of the Youth Council. The youth council have a budget of £3K which the members can use to benefit the Borough.

(Flegg's members: Arden Woods, Sophie Bancroft, Theo Millican, Charlie Heseltine, Lexie Mitchell, Lola Gibson, Jacob Fruin, Lilian Davison and Jacob Fruin)

# STUDENT FLEGG'S DEN

FLEGG  
EVENT  
TEAM

Got a game-changing idea? We want YOU to pitch your fun and innovative fundraising game for the upcoming Easter Fayre! 🐰💡

🎯 **Your Challenge:** Create a brand-new game that'll make everyone want to play! With a £50 budget to design, develop, and purchase prizes, it's all about creativity, fun, and raising money for a good cause.

🔑 **The Prize:** A chance to bring your game to life at the fayre, and the glory of seeing your idea enjoyed by all!

🎪 **Get ready to pitch your idea and become the next big fundraiser at our Easter Fayre!**

🌸 **Pitch Day:** Wednesday 12th March.

📝 **Sign up either individually or as a group with Mrs Spooner and join the Flegg's Den fun!**

# EASTER FAYRE

## Sat 22nd March

## 10am - 4pm
