

It is **crucial** that you are able to **continue with your learning** and ensure that we ensure there are no gaps in your education.

This is why you are being provided this **short-term** Home Learning resource pack.

It has been targeted to ensure that despite a short term absence you **are able to follow** 

your curriculum and learning from the classroom.

We have matched the online learning material from the OAKs National Academy and our own learning menus to our curriculum. This can be accessed online using the links in the on the following pages. The steps are simple:

**1.** Follow your timetable and the timings for each day. You should have a printed copy, but this can also be accessed through Go4Schools using either of the links below:

Parents: <u>https://www.go4schools.com/parents/Login.aspx</u> Students: <u>https://www.go4schools.com/students/Login.aspx</u>

## 2. Get a pen and paper at the ready

- **3.** Use the links on the following pages to **select the current topic you are doing in class** and complete an hours worth of lessons when you would be in that subject (some of the online lessons are of varying length and there are a number of lessons in each topic so you might be able to complete more than one in an hour). These will be a combination of videos, activities and quizzes.
- 4. Take your time and focus.
- 5. Look after yourself and we look forward to seeing you back and ready to pick up where you left off.
