

YEAR 10

Short Term Remote Learning

Spring 2

It is **Crucial** that you are able to **Continue with your learning** and ensure that we ensure there are no gaps in your education.

This is why you are being provided this **short-term** Home Learning resource pack.

It has been targeted to ensure that despite a short term absence you **are able to follow**your curriculum and learning from the classroom.

We have matched the online learning material from the OAKs National Academy and our own learning menus to our curriculum. This can be accessed online using the links in the on the following pages. The steps are simple:

1. Follow your timetable and the timings for each day. You should have a printed copy, but this can also be accessed through Go4Schools using either of the links below:

Parents: https://www.go4schools.com/parents/Login.aspx
Students: https://www.go4schools.com/parents/Login.aspx

And will look like the below

Rattarn to refluxly your resure obding

- 2. Get a pen and paper at the ready
- 3. Use the links on the following pages to select the current topic you are doing in class and complete an hours worth of lessons when you would be in that subject (some of the online lessons are of varying length and there are a number of lessons in each topic so you might be able to complete more than one in an hour). These will be a combination of videos, activities and quizzes.
- 4. Take your time and focus.
- **5.** Look after yourself and we **look forward to seeing you back** and ready to pick up where you left off.

	We are completing controlled assessment on			
	Component 1 this half term. There are two resources			
	below that you can work your way through.			
Travel & Tourism				
	Use this student activity book to complete the pages on topics we have			
	looked at so far in class in Component 1. If you need help on any of the			
	topics or you want to look ahead to future topics and complete pages from			
	the activity book you can use this digital text book to help you			
Computer Science	Algorithms			
Maths (H)	Direct and inverse proportion - Oak National Academy			
Maths (F)	Solving equations 1 (One step, two step and brackets) - Oak National			
Tiddle (L)	Academy			
Art	Art – <u>Curriculum - Curriculum (continuityoak.org.uk)</u>			
Alt	Art – Yr 10 – Experimenting – Skills and Development (Part 2)			
Catering	Catering – <u>Learning Menu</u>			
	Dance - Using the resources create a PowerPoint on one of the Professional			
Dance	works.			
	Component 1			
Drama	Drama - <u>Devising</u> -GCSE Bitesize			
	Biology – Biology - Continuity Oak			
	Explore lessons - KS 4 Science – Organisation, Infection and response			
Science	Chemistry - Chemistry - Continuity Oak			
Science	Explore lessons - KS 4 Science – Energy Changes			
	Physics - Physics - Continuity Oak			
	Explore lessons - KS 4 Science – Particle model of matter			
	Complete exam questions from the GCSE PE exam question book for			
Sport (GCSE PE)	component 1, unit 1, 2 and 3. Please find this on your teams account along			
	with your core knowledge (to support)			
BTEC SPORT	Please complete your online workbook for component 1, which can be			
	found in your teams <u>account</u> along with your core knowledge to support.
