

In May, 47 Students completed their Bronze Expedition. Leaving from the school site, they set off on foot carrying all of their equipment to their campsite at The Cluckey, Repps. The students walked 12.34km along Martham Broad and around the villages surrounding fields, making their way past Potter Heigham and onto the Cluckery farm. Shortly after their arrival the students pitched their tents, cooked dinner on the Trangias and planned their route for day two before settling down for the night. At the start of day two the students again cooked on the Trangias to make their breakfast, packed up their tents, repacked bags and prepared for the second walk of 11.67km. All groups managed to find their way to the finish line and completed their bronze level expedition.

Once all students have finished their personal challenges of volunteering, skills and a physical activity they will complete their Bronze Duke of Edinburgh Award. We can't wait to celebrate with them at an event later in the year, where they will officially receive their awards. I would like to thank all the students who participated in the expedition, they all were well-mannered and demonstrated our academy values throughout the two days. Along the way I passed several local people on their daily walks who were keen to tell me how polite the students were to them and how they are a credit to our academy.

A massive thank you to Sam Mitchell of The Cluckery, who not only gave up his time as a volunteer for the two days but also allowed us to use his farm as our base to camp and to our Flegg staff volunteers.

Well done DofE class of 2025! Now on to getting the full awards completed!

SPORTING UPDATE

SUMMER TERM 2025 - MR LYONS

CRICKET

What a fantastic year of sport we have had this year at Flegg. We have had many outstanding performances in a range of sports, competing at the top for Norfolk honours.

Boys cricket made a return this year with U14s and U12s competing at the semi-final for the county cup. The girls softball teams did exceptionally well winning most of their games.

FOOTBALL

Football at Flegg is always big and well followed due to our local teams and the amount of work they put into grassroots football. This year we managed to get to two county cup finals in year 10 and 11, winning the year 10 one 4-1 in the final against Cliff Park and missing out 2-0 to Framingham Earl in the year 11 encounter. All teams played at least 6 games with many playing more due to their cup runs. Our students are proud to wear the navy and royal blue Flegg tops and looking forward to another competitive year next year!

BASKETBALL

Basketball is back, and Flegg students have had many opportunities playing other schools this year. This year we entered the year 7s and 8s into the NBA junior leagues, where they played at least four fixtures each against teams from around the Norwich/Yarmouth area. Both year groups managed to win games and compete in all fixtures. The year 7s managed to make the playoffs but unfortunately lost in the first round.

RUGBY

Rugby this year was another success story especially for the year 9s who managed to get themselves to a plate semifinal. En-route to the semi final they managed to beat teams such as Aylsham, Hellesdon, and Acle. All year groups (boys and girls) had two opportunities this year to compete in tournaments against other schools in Norfolk. These were the emerging schools tournament and the North Walsham Viking Days. In both competitions all year groups were competitive winning many games and had lots of opportunities to develop as rugby players. This year has given Flegg students a chance to learn the game and be competitive.

ATHLETICS

Athletics this year has been another success due to the young determined athletes we have. All summer, our students have been working hard and practicing for their events whether that is in lessons or at clubs. This has all paid off with many of the year groups placing high against other schools within the area.

The year 7's came 3rd at Wellesley and 2nd in the OAT sports cup, the year 8's came 3rd at Wellesley and 4th at the OAT sports cup, the year 9's came 2nd at Wellesley and 3rd at the OAT sports cup where as the year 10s came 1st at Wellesley and 1st at the OAT sports cup. As a school both at the Wellesley Athletics and OAT Sport cup we came 3rd overall which is a fantastic achievement. Also to add we had 3 pupils represent the county and English schools this year within Athletics. Faye Nottage represented Norfolk in cross country, whereas Maisy Boylan and Amy Fielding represented Norfolk in 200m and 100m respectively. Maisy managed to secure a bronze medal in her 200m final.

NETBALL

The Under 16s this year qualified as district winners for the National schools competition and finished 4th in section. Whereas the Under 15s qualified for the league winners competition and managed to get through to the semifinals held at the VEA. The Under 13s went to Grashams school for county netball tournament and got through to the plate pay-offs which was a great achievement. Successes this year for each year were, Yr 10 - winners of tournament & league. Yr 9 - winners of first tournament, 3rd in league and tournament. Yr 8 - 2nd in all competitions leagues and tournament. Finally, Yr 7 - developing side did not win many matches as many did other clubs so did not regularly attend training.

Flegg is 60!

Flegg recently marked a major milestone, celebrating our 60th anniversary with a day of festivities, reunions, and reflection. Thousands of former students, staff members, and members of the local community gathered to honor the school's rich history and its lasting impact on generations of young people in the area. Each hour saw the reunion of a decade of students allowing people to catch up and share stories from their time at Flegg. The Flegg archive was on display showcasing the many changes since the school originally opened in 1964 and we were lucky enough to have some of the very first students attend the event.

SUMMER FAYRE SUCCESS

The Flegg Event Team hosted another successful Summer Fayre on Saturday 12th July and thanks to Barclays Eagle and Anthony Pryke, we had the Barclays Premier and Ladies Super League trophies on display which hundreds of people had their photo taken with.

A huge thank you goes to the amazing performers throughout the day including 3 ex Flegg students Ellie Hogg, Charlotte Stewart and Hannah Reeve. We also had our very own Flegg showcase students, Lisa White Joubert performers, Dance Base, Simon Fay, Caister School of Dance, Martham Academy Choir and Morgan's Academy of Dance.

The Mayor visited and commented on what an amazing community feel the school had and congratulated the staff and student volunteers.

CAN YOU HELP OUR GARDEN **GROW?**

Year 10 Geography field trip

Year 9 Rewards Assembly

Year 8 Camp

Year 7 Celebration Assembly

Enrichment Week

Sundaes in the sun

Year 11 Prom

The Papillon Project is a registered charity working with Flegg High Ormiston Academy to support the creation and development of the totally inspiring school allotment that has started this academic year. The charity is in great need of volunteers from the local community to help support the project so more young people can be inspired to learn how to grow their own food, lead more sustainable lives and, in the process, help to boost their self-esteem too. Any one interest in volunteering can visit the charity's website (www.thepapillonproject.com) to find out more about what's involved.

The Garden Club recently completed a bag pack at Asda to raise money to buy seeds, plants and compost
