

We are extremely proud of the 46 students who recently attended the prize-giving evening to receive their Duke of Edinburgh Bronze Awards. The Bronze Duke of Edinburgh Award encourages young people to develop new skills, take part in physical activity, volunteer within their community, and complete an adventurous journey. Through commitment, teamwork, and perseverance, students build confidence, resilience, and independence, qualities that will support them well beyond the award itself. This achievement reflects their hard work and dedication, and we congratulate them on this fantastic success. A huge thank you goes to The Cluckery for making the expedition possible. Mr Pitcher

#### Prize Winners

Willing to give it a go: Ashley Eudo-Mitchel and Lexi Stocker

Most resilient: Charlie Clarke and Molly Robinson  
Helping hand: Harry Rogers and Noah Achenbach

Under the radar: Lauren May and Scarlett Macpherson

Managers award: Mia Cooper and Euan Phillips

#### Year 9 Debating Success at East Norfolk Sixth Form

A group of Year 9 students recently travelled to East Norfolk Sixth Form to take part in a regional debating competition alongside other local schools. After enjoying a range of warm-up activities, the teams were given time to research their topic: Should we ban fast fashion?

Our students performed brilliantly on the day, winning their first debate and drawing their second, which placed them an impressive third overall. It was a fantastic experience for everyone involved and a day the students thoroughly enjoyed. Mrs Robertson

- \* Refreshments & Live Entertainment
- \* FREE ENTRY

Flegg High Ormiston Academy  
Somerton Road, Martham, NR29 4QD

The perfect event  
for all the family!

# ASPIRE COLLEGE

As we move through the term, Aspire College continues to flourish. Across lessons, performances, competitions, and community life, our students are showing what it truly means to embody our core values of Kindness, Aspiration, and Respect.

Aspire continues to lead the academy with an incredible 2,538 Golden Tickets. These tickets highlight the positive choices our students demonstrate every day.

We've also sent home 248 Postcards this term, recognising achievements, resilience, leadership, and outstanding attitudes. Each postcard is celebration of students who show Aspiration by striving to be the best version of themselves.

Our students have been shining brightly in academy-wide events. Several Aspire students have advanced into the Eastern regional finals of "OAT's Got Talent," showcasing their creativity, confidence, and determination.

This half term, Aspire also had the highest number of students taking part in College Clashes. Their enthusiasm, teamwork, and competitiveness helped us secure victory in the Kindness College Clash, a reflection of our students' caring and community-minded spirit.

Our values aren't just visible in Flegg—they are carried proudly into the wider community. A huge well done to Charlie, who continues to excel in swimming, demonstrating exceptional dedication and Aspiration in his sport. His hard work and perseverance are outstanding examples of what it means to aim high.

We also celebrate Reggie, who will be competing in Barnsley in the coming weeks for English Boxing. His determination, discipline, and unwavering Respect for his craft shine through in every training session and competition. We wish him the very best as he represents Aspire on a larger stage.

# CREATE COLLEGE

This term has been an outstanding one, marked by exceptional commitment, enthusiasm, and a genuine love of learning. Maintaining the highest attendance in the school is a significant achievement and reflects strong responsibility, consistency, and dedication of our Create students. Alongside this, a clear thirst for learning and knowledge has been demonstrated through curiosity, active engagement, and a positive attitude towards all new challenges.

These values have also been reflected in both our behaviour and community spirit, with an impressive total of 16,275 Heart Points and 510 Golden Tickets collected over the term. This remarkable achievement highlights consistent kindness, effort, and a strong commitment to the school's values.

We are also incredibly proud to celebrate our pupils' achievements beyond the classroom. Florence, Molly, and Emily progressed through to the Ormiston's Got Talent selection process following their outstanding singing performance—an incredible achievement that showcases their confidence, talent, and dedication. We would also like to recognise Bethany and Amelia for their strong entries, which demonstrated great effort and creativity and should be equally celebrated.

In addition, Create pupils have made fantastic contributions to wider school life through their enthusiastic involvement in College Clash. Students participated with energy and teamwork in activities such as limbo, dance-offs, kindness bingo, and the pancake challenge, demonstrating confidence, collaboration, and a strong sense of school spirit. These events have helped strengthen our community bonds and added to an enjoyable and inclusive school environment. We now just need to work our way up the leaderboard - Go Team Create!

Overall, this has been a highly successful and inspiring term, and we are extremely proud of all that has been achieved.

# INNOVATE COLLEGE

Spring term has been a busy one so far for Innovate College—a community defined by creativity, curiosity and the confidence to try new things. Our students have continued to impress with their imagination, collaboration, and drive for excellence across all subjects and events.

## 🏆 College Clash Champions (So Far!)

Innovate College continue to lead the way in the 'College Clash', thanks to the enthusiastic involvement of students across all year groups.

This half term has seen incredible participation in:

- Limbo Showdown – with some shockingly flexible performances!
- RAK (Random Acts of Kindness) Week Challenge – where Innovate learners went above and beyond to brighten the school community.
- The Dance Off – a standout moment filled with energy, teamwork and brilliant creativity.
- Pancake race – a real team effort to flip as many pancakes as possible.

## 🎤 Innovate's Spotlight on Performance & Expression

### OAT's Got Talent 2026

An amazing year of entries for Ormiston's Got Talent this year from across all colleges at Flegg. It was difficult for Mrs Hipperson and Ms Trevor to choose just 3 entries to represent Flegg. Congratulations to Una, Matilda and the trio Florence, Molly and Emily who were selected as the Flegg entries for 2026.

We are pleased to announce that Matilda (INNOVATE) has been selected to represent Flegg at the regional finals on Thursday 12th March.

### 🌟 Innovate College Stars of the Half Term

It was lovely to sit with our nominated 'Secret Students' for breakfast with the Principal to celebrate their achievements this half term.

### 💎 Student Leadership Applications Now Open

# SENIOR YEAR

As we reach the end of the third half-term, it's clear that our Senior Year students have continued to push themselves with remarkable determination and focus. This term has seen the completion of another full set of internally assessed exams, and the effort that has gone into preparing for these assessments has been outstanding. Students have not only engaged deeply with their revision but have also shown real maturity in using the feedback from earlier assessments to improve, refine, and strengthen their performance. It has been inspiring to watch Year 11 rise to the challenge, knowing that every step they take now is building towards both their final set of IAE's next half term term and the real examinations in the summer. Their resilience, commitment, and willingness to act on advice are exactly the qualities that lead to success, and they should be incredibly proud of the progress they are making.

Alongside the academic drive in classrooms, we've also had the excitement of the Catering practical assessments taking place this term. These sessions have been a true celebration of creativity, skill, and hard work. The dishes produced have been nothing short of stunning; beautifully presented, ambitious in flavor, and a testament to the dedication students have poured into their practical work. The standard has been exceptionally high, and the pride on display as students showcased their final creations has been wonderful to see.

Overall, this half-term has embodied what makes Senior Year such a special and dynamic part of our community. From focused preparation to creative brilliance, our students continue to show what they are capable of. With one final push ahead before exams, momentum is strong, spirits are high, and the future looks incredibly bright. Let's carry this determination into next term and finish the year stronger than ever.

# PE Showcase

Upon return from Christmas the PE faculty have been exceptionally busy with many events, fixtures and tournaments taking place.

The first event of the year was the annual Flegg cross country. This year we had over 70 students taking part. Everyone involved made the event a success due to their continuous work ethic and determination. The course was around 3 kilometers in length which took students from the back playground (Netball courts) to the astro, then to the back field, to the finish line on the side field.

The winner of the event was Roy who beat year 9's and 10's to claim victory. However, a special mention has to go out to Isla (yr7) who was not that far behind and the first female home.

Overall a great event with 16 pupils going forward to represent the Great Yarmouth area in the county competition at Wymondham college.

Football - With wins in the county cup for the reigning yr11 champions against a very solid outfit that is Sprowston on penalties. The year 9's continued to develop in games against Thetford academy and Acle with some improved performances. The year 7's have their quarter final against Taverham this week. The year 8's have a few more league games to go to see if they can win the local Yarmouth league. The year 10's gave a great account of themselves against a well organised Lynn Grove team. In previous years the year 10's have lost to Lynn Grove, whereas this year they managed to hold them to a 1-1 draw. All boys involved were excellent throughout showing a great attitude.

Rugby - The year 9's have managed to secure a semi final in the county cup against Alderman and Peel High School, Wells. They have done exceptionally well getting this far in the tournament. The year 10's have their rugby 7 county tournament this week which will see them play 4/5 games in a adapted version of the game. They have also managed to secure a semi final in the county plate competition with a 45-19 win against Sprowston High School. They now face Diss High at home. Other fixtures coming up are the year 7, 8, 9 and 10 games against Lynn Grove, Venture and Cliff Park at Lowestoft and Yarmouth RFU.

Flegg hosted a year 1 multi skill event where our year 7 sports leaders worked alongside the younger pupils.

Our Great Yarmouth Council Reps attended a meeting at the Town Hall to vote in a new chair and take part in debates - a fantastic opportunity to experience local issues and visit such a historic venue.
