Aspire

Congratulations to this terms Golden Ticket Winners: Isla with 100, Lostiantyn with 75, Sienna and Samuel with 65 and Red with 60

Top Heart Points & Golden Tickets for the Half-Term
Congratulations to Ezra, Arabella, Lewis, Samuel & Jasmine who have been excelling in every lesson, every day!

Congratulations to Isla Harding for coming 3rd place in the Royston Athletics cross-county event!

Congratulations to Quinn Thornley for catching his best Pike ever this half term. Measuring in at 20 inches in length and 24lbs in weight. Keep up the good work!

Congratulations to James, Billy, Isabella and all the other Aspire students for working hard on their choreography ready for Flegg's production of High School Musical in February

Create

What a fantastic half term it has been for Create College! Our students have shown high energy, incredible creativity and exceptional teamwork, and we are proud of everything they have achieved.

College Clashes

Create College students have made some excellent contributions to the college clashes this half term, despite us not scoring highly on the Leaderboard. A special mention goes to Willow and Zak in Year 7, who came first in the first challenge of the year to make the longest paper chain. Their teamwork, patience and creativity earned valuable points for the college. Well done to you both!

Secret Students

Our Secret Students were invited to two Principal's Breakfast events this half term, simply for being amazing young people. These students go above and beyond every day and embody the Flegg Virtues in everything they do. They are a credit to Create College, and we are so proud of them. Thank you for being such wonderful role models - keep being you!

Sporting Success

A big well done to all of our sports teams for their commitment and often exceptional skills. You represent the college and the Academy brilliantly. We have several members of Create who represent the academy regularly in football, netball, and rugby. Particular highlights include year 9 2-2 and then winning on penalties against Venture and Yr8 winning 5-4 against Ormiston Victory!

We are delighted to celebrate Lily, who represents the Martham U12 football team. Lily has come a long way in a single season, and her commitment and determination have been recognised with two awards: Manager's Player and Martham's Most Improved Player. This is a fantastic achievement, and we are very proud of you, Lily.

Congratulations also to Laila in Year 7, a member of the Great Yarmouth Swim Team. Laila recently won a trophy and came 3rd in her freestyle race. Fingers crossed for the upcoming awards event in November, where we hope there will be more medals and trophies to celebrate!

Good luck to Connor who will be racing in Junior Bangers on Thursday 29th October. Hopefully the work that he has been doing recently on the car pays off and he secures the win!

We are also enormously impressed by Roy's fast time in the 5km Gorleston Park Run last weekend. Alongside his other sporting pursuits, he recorded a sub 23 minute time which placed him in 52nd place!

Thank You

A big thank you to all the students who supported the Academy at our recent open evening. You were excellent ambassadors for Create College and for the school. We would like to say a particular thank you to those who helped Miss Beggs with the exciting go kart events. Your enthusiasm and willingness to get involved made the evening enjoyable for so many and also led to some impressive races!

Enjoy a well-earned half term break, Create College. We look forward to seeing you all back refreshed and ready for another brilliant half term!

Innovate

As we move through the first half-term of the academic year, there is already plenty to celebrate at Innovate College. From outstanding sporting achievements and competitive College Clash success to impressive academic effort in lessons, our students have made a fantastic start to the year.

🏀 Archie Earns Place in Leicester Tigers Academy

A huge congratulations goes to Archie, who has achieved something truly remarkable. Archie recently completed the highly competitive Development Player Pathway (DPP) selection process for the Leicester Tigers U15 Junior Academy. The pathway attracted 90 talented players from across Norfolk, with only 23 players successfully securing a place in the academy. Being selected is a tremendous achievement and reflects Archie's dedication, talent, and commitment to his sport. Everyone at Innovate College is incredibly proud of what he has accomplished, and we look forward to following his progress throughout the season. Well done, Archie! 🐯 🏀

🏆 College Clash Success

The spirit of friendly competition has been alive and well across Innovate College this half-term as students have thrown themselves into a range of exciting College Clash events. Our students have achieved excellent results across several challenges, including:

✈️ Paper Aeroplane Throwing 📄 Paper Chain Building 🏎️ Go-Kart Challenges

The enthusiasm, teamwork, creativity and determination shown by students in every competition have been fantastic to see. Whether competing, supporting teammates, or helping organise events, students have demonstrated exactly what makes Innovate such a vibrant and successful college community.

Congratulations to everyone who has taken part so far – let's keep those purple ribbons on the trophy as we head into Autumn 2!

Academic Excellence

Alongside sporting and extracurricular success, our students continue to impress in the classroom.

Across the academy, students have shown a strong commitment to their learning, working hard in lessons, engaging positively with staff, and demonstrating resilience when faced with new challenges. It has been particularly pleasing to see students striving to improve their knowledge, skills, and confidence across all subject areas.

The excellent attitude to learning shown by so many students is helping to create a culture where achievement is celebrated and everyone is encouraged to be their very best.

Looking Ahead

As we approach the next half-term, there is much to look forward to.

We are excited to continue celebrating the successes, achievements, and contributions of our students.

Thank you to all students, families, and staff for helping make the start of this academic year such a positive one.

#TeamInnovate

Senior Year

Senior Year Highlights - This Half Term

It has been an incredibly positive and productive start to the year for our Senior Year students, who have embraced a wide range of opportunities designed to support both their academic progress and preparation for life beyond Year 11.

Students have benefited from a series of informative assemblies delivered by local post-16 providers, helping them to explore their future options and make informed decisions about their next steps. We were delighted to welcome representatives from:

These sessions provided valuable insight into courses, enrichment opportunities, apprenticeships, and student life, ensuring students are well informed as they begin considering their post-16 pathways.

Stepping into Senior Year Evening

We were pleased to host our Stepping into Senior Year Evening, which provided an excellent opportunity to meet parents and carers and outline the exciting year ahead. The evening allowed staff to share key information, discuss expectations, and highlight the many opportunities available to support students throughout this crucial stage of their education.

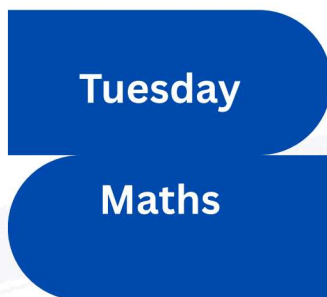

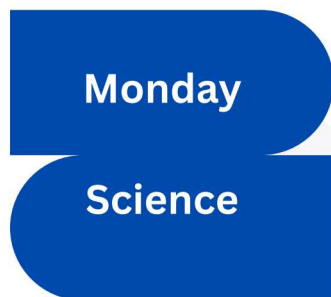

Launch of Senior Year Mentoring

This half term has also seen the successful launch of our Senior Year Mentoring Programme. Through regular mentoring conversations, students are receiving personalised support with their academic progress, revision strategies, goal setting, and future aspirations. The positive engagement shown so far reflects the maturity and determination of this year's cohort.

Academic Review Day and Careers Fair
Thursday 5th November 3.20pm-7pm

Strong Commitment to Period 6 Revision

Attendance at our Period 6 revision sessions has been exceptional. It has been fantastic to see so many students voluntarily giving up additional time to strengthen their knowledge and prepare for success in their GCSE examinations.

The enthusiasm and commitment shown by students attending these sessions is a real credit to the year group.

Additional English and Mathematics Support

Year 11 students have benefited from extra English and Mathematics sessions during Personal Learning time, helping to strengthen skills and confidence ahead of assessments.

Macbeth at Gorleston Pavilion

Year 11 students attended a performance of Macbeth, supporting their GCSE English studies through a deeper understanding of the text's characters, themes, and language

New Learning Space

Students have welcomed the new bleacher seating in the Hall, creating an engaging environment for collaborative learning.

Year 11 student Amelia and her dance partner, Harrison, performed at a 90th birthday celebration at Eversley Nursing Home in Great Yarmouth. Inspired by Gladys's love of dancing, the Strictly-themed event gave residents and students a special opportunity to connect. Gladys shared memories of dancing at Blackpool's Tower Ballroom and encouraged the pair to keep dancing.

Looking Ahead

With college open events, mock examinations, revision programmes, and further careers guidance activities on the horizon, students are continuing to engage exceptionally well with the opportunities available to them.

We are incredibly proud of the positive start our Senior Year students have made. Their commitment to learning, engagement with additional support, and enthusiasm for future opportunities provide strong foundations for a successful year ahead.

Sporting round up

Well done to the U13 girls who represented Flegg High OA at the nest in the 7aside Norfolk schools competition where they finished 3rd in there group.

A massive well done to the U14 girls who won 6-0 in the county cup against KES from Kings Lynn. All battled hard for each other in windy conditions. On to the next round!

A massive congratulations to the Year11 boys football team winning back to back county finals. What a way to end a fantastic football journey at Flegg High OA. Winning on penalties takes real courage. Well done to everyone involved you should be proud!

A massive well done to our Year 7 students who took part in their very first tournament! They showed fantastic determination, teamwork and enthusiasm, representing Flegg brilliantly. It was wonderful to see them rise to the challenge, support one another and gain valuable experience.

We are incredibly proud of them and look forward to seeing them continue to develop their skills and confidence in future competitions.

PE CLUBS FOR ALL YEAR GROUPS

Mon 3pm: Girls Football

Wed 3pm: Rugby
Wed 3pm: Netball

Thur 3pm: Boys Football
